Dear Madam,

You will no doubt be aware that the Law Association will be meeting on the 1st June, 2017 in special session to consider a number of resolutions which pertain to the Judicial and Legal Services Commission's handling of your appointment to the High Court.

The JLSC's version of the relevant events is contained in a press statement issued to the public on 9th May 2017, a copy of which is enclosed for your ease of reference.

Subsequent thereto, the Law Association issued a letter to the Members of the JLSC asking for further information and clarification of the events dealt with in the aforementioned press statement. There has been no response received from the JLSC to date. A copy of the Association's letter dated the 25th May, 2017 is enclosed for your attention.

The Law Association is concerned to ensure that its Members have before them all the relevant facts and accordingly, we respectfully enquire whether you would be minded to provide your own account of the events that transpired.

We do apologise for the lateness of this request but we were and remain sensitive to the fact that you may be considering legal proceedings, as gleaned from press reports to date.

Yours Sincerely,

Douglas L Mendes SC
President
Law Association of Trinidad and Tobago
