Women in
GOVERNANCE
Building Better Leaders
Breakfast Symposium

**Why is it that women continue to remain a minority
on many Boards in the region?**

Board diversity enables a balance of independence and offers access to new perspectives that are in tune with clients' needs.

Join us for our first Corporate Governance Symposium entitled "Women In Governance" and be a part of a revolutionary experience that fosters change. Get prepared for the next step in your career to be a first-rate Board Member.
