CAMBRILS (CATALONIA) - SPAIN

World Football Cup for Lawyers

www.mundiavocat.com

Concept

The World Football Cup for Bar associations and law firms, called “Mundiavocat”, is an international football tournament open to lawyers worldwide only.

Created in 1983, the event has expanded considerably since.

The 18th Mundiavocat, in 2016, brought together 104 teams from 37 countries in Europe, America, Asia and Africa!

The competition, held every 2 years, lasts 10 days, from Friday to Sunday. 4 tournaments are offered – Classic, Master, Legend, and Five – and each team plays between 5 and 7 games, from 60 to 70 minutes, depending on the category and their progress in the tournament.

Refereeing

To ensure the smooth running of the competition, a regional association will provide the required referees for the organisation of the 350 tournament's games. Renowned international referees will also take part in the competition. 3 referees and 2 delegates will thus be deployed for each game.

— FOOTBALL & MUNDIAVOCAT VILLAGE —

The FUTBOL SALOU Complex

In 2018, the Mundiavocat will take place in one of the finest football complexes in Spain. Futbol Salou is a centre with high-quality football pitches with natural, artificial and hybrid grass. The complex's 8 pitches will be made available to you during the competition.

The complex is in an ideal location, only a 5 minute walk from the apartments, where you can challenge - in a sporting way - your colleagues from around the world. In total, 16 pitches will be requisitioned throughout the city, to ensure the smooth running of the Mundiavocat.

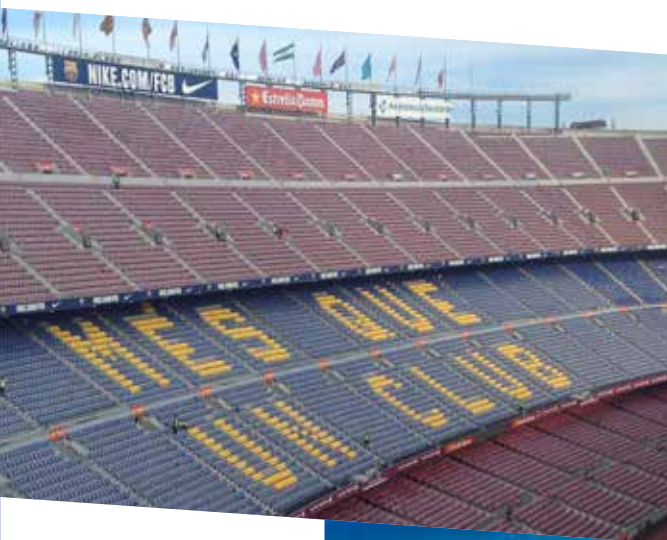

The CAMBRILS PARK RESORT

The Cambrils Park Resort offers three types of apartments of different standards: Aloha, Villa Bonita, and Mediterrania. The quality accommodation will form the "Mundiavocat Village", which will house the majority of participants in the competition and where events will take place.

Accommodation will also be available at the Sanguli Salou Resort, which is a 5 minute walk away.

— CAMBRILS, SALOU AND THE COSTA DAURADA —

Catalonia has so much culture that you won't know where to look: the beautiful buildings of Barcelona, such as the Sagrada Família and the Palau de la Música Catalana, or the impressive archaeological site of Tarraco, all classed as UNESCO World Heritage sites, and of course, the famous "Camp Nou", the legendary stadium of FC Barcelona!

Finally, a 5 minute drive from the Mundiavocat Village, there is one of the largest amusement parks in Europe: Port Aventura and its extraordinary FerrariLand!

EXTRACT FROM THE REGISTRATION CONDITIONS

Dated February, 28 2017. The organisation reserves the right to change the terms of these rules.
Please regularly check all of the registration conditions on our website
www.mundiavocat.com

1. Team registration

1.1. The tournament is open exclusively to teams of lawyers from bar associations, groups of bar associations, and law firms.

1.2. Each team must include:

- 11-a-side football: 13-26 players
- 5-a-side football: 6-10 players

2. Player Eligibility

2.1. Team creation

Each team must be formed taking into account the following provisions:

With the exception of cases of exemption referred to in section 2.2 below, players must be:

- lawyers registered (or previously registered) at a bar of the country of the registered team;
- law students or trainee lawyers, over 22 years of age (born before 31/12/1996), within the limit of 2 per team for Classic and Five tournaments.

2.2 Cases of Exemption

Exemptions may concern the holders of a diploma of higher legal or judicial studies, and more generally permanent employees of law firms, insofar as they do not exceed 4 players for the 11-a-side tournaments and 2 players for the 5-a-side tournaments. In this case, a list including lawyers and non-lawyers, as well as a statement from the law firm to ensure that the non-lawyers are permanent employees of the company, must be provided. These employees must be over 30 years of age (born before 31/12/1988) for the Classic and Five tournaments, over 35 years of age for the Master tournament (born before 31/12/1983) and over 45 years of age for the Legend tournament (born before 31/12/1973).

2.3 Validation of exemptions

No exemption requests will be accepted for non-lawyers playing for or having played football for a professional club, for a semi-professional club, or any other club for payment.

To be admissible, exemption requests should be sent to Mr Vincent Pinatel, lawyer and founder of Mundiavocat, no later than forty-five (45) days prior to the start of the tournament.

All conditions set out above relating to exemptions are mandatory, but are not in themselves sufficient to guarantee an exemption. The final decision rests with the exemptions commission, composed of Mr Vincent Pinatel and Mr Pierre Chicco (tournament director).
